

DENTAL HEALTH PROGRAM AGREEMENT

Program Details:

- *15% off teeth cleanings after 1st cleaning*
- *Immediate 15% off extractions and all dental/oral procedures*
- *Immediate 15% dental foods and treats*

Program Stipulations:

The idea behind the dental health program is to establish a preventive care schedule for your pet's oral needs. This is based on the idea of yearly preventive cleanings. In order to maintain inclusion in the program, your pet must receive subsequent dental cleanings within 14 months of the previous dental cleaning. If you exceed this time frame, any discounts you received related to this program since the last completed cleaning (including the last cleaning) will be forfeited and applied to your account immediately.

I have read, understand, and agree to all items listed above:
